Färgmarkeringar och/eller symboler för hållbara alternativ i prislistan:

Mörkgrön markering eller symbol

Miljömärkt produkt – Möbler där hela den sammansatta varan har en typ 1 miljömärkning enligt ISO 14024 med Svanen, Möbelfakta, EU Ecolabel eller annan likvärdig märkning.

Ljusgrön markering eller symbol

Hållbarhetsmärkt produkt eller beståndsdel – Möbler där hela eller delar av den sammansatta varan är hållbarhetsmärkt, exempelvis med FSC, EU Ecolabel eller OEKO- TEX®. Leverantören ska kunna ge mer detaljerad information om vilka delar eller variationer som är hållbarhetsmäkta vid begäran.

Orange markering eller symbol

Klimatberäknad produkt – Produkt med dokumenterad miljövarudeklaration (EPD) enligt ISO 14025.

Lila markering eller symbol

Produkt med återvunnet eller förnybart material (enligt definitionerna i ISO 14021). Leverantören ska kunna ge information om andel (%) återvunnet och/eller förnybart (biobaserat) vid begäran. Märkning av återvinningsbart material utgår.

Blå markering eller symbol

Demonterbar produkt – Produkt som är demonterbar till olika komponenter och beståndsdelar som i första hand möjliggör återbruk och i andra hand materialåtervinning när produkten nått sin fulla livslängd. Produkten ska vara designad för renovering, det vill säga att det ska vara enkelt att reparera och byta ut moduler, komponenter och beståndsdelar som slits över tid. Exempelvis ska ytskikt, som bordsskivor, textil och stoppning kunna tas isär, avlägsnas och ersättas med hjälp av vanligt förekommande manuella verktyg, ej specialverktyg. Enklare reparationer och utbytesarbeten ska kunna utföras av en lekman. Om det krävs fackmanakunskap för mer avancerade arbeten ska det framgå av anvisningarna som leverantören ska kunna ge vid begäran. Anvisningarna ska innehålla en sprängskiss, steg för steg beskrivning inklusive vilka verktyg som krävs samt hur möbelns ingående delar bör källsorteras.

”We are where you eat, work, breathe and experience with others.

We are wherever people meet - we are Fora Form”

Fora Form is one of Scandinavia’s largest furniture manufacturers for social spaces and meeting places. Since 1929, we have used design as a strategic tool to create excellent meeting spaces in public environments. Our vision is to offer furniture and meeting places that facilitate meaningful, positive, and productive interactions between people. We understand that a good work environment is crucial for well-being and productivity, and we are proud to contribute to creating inspiring indoor experiences where people come together.

Information

Fora Form aim to have the Ecolable certificate on all our standard fabrics. For the Nordic Swan certificate to be valid we need for upholstery material to hold the Ecolable certificate.

Regarding leather we recommend Sørensen Dunes, Savanne eller Spectrum to comply with EU Ecolable, these are marked with an e.

Lead time for fabrics marked grey in our pricelist is 4-6 weeks. Lead time may deviate due to production capacity, order size and/or fabric stock availability.

Fora Form Menu

LEAD TIME 6-8
WORK WEEKS

Fora Form Custom

CUSTOMIZED
ON REQUEST

Chairs and lounges

Fora Form offers lead time 6-8 weeks for the greater part of the collection. Lead time may deviate due to production capacity, order size or fabric stock situation.

Finish of wooden parts, is stated under each model. Standard wooden parts is natural oak.

Metal parts: All products manufactured with black powder coat. Varieties are specified under each model in the price list.

Fora Form offers NCS/RAL coated metal parts on majority of our collection. This is commented under each model.

Some designs are offered in five standard colours in Jotun Sahara, a structured powder coating. This is commented under each model.

We only use trivalent chromium.

Fabrics: We recommend our standard fabrics. Other fabrics can be delivered on request. A list of suggested fabrics is found on page 7. New fabrics must be tested before approval.
Leather from: Elmo, Nevotex, Sørensen.

Contrast seam: Fora Form offer contrast seam on selected products in the colours; white (NCS S 0500-N), light grey (NSC S 2502-R), grey (NCS S 5502-B), brown NSC S 7010-Y70r and black (NSC S 9000-N). This is commented under each model. Other colours on request.

Zipper: we supply black zippers as standard, unless a contrast seam is used - then the zipper follows the colour of the seam. In addition, we offer zippers in light beige (8110), brown (8896) and gray (9685) as a menu. This must specify in the order.

Senso: drawings of the sofa system must always accompany the order. We recommend one colour for the backside of the sofa system. Please state preferred colours.

Fora Form offers customized products on request.

Please note: Drawings on customized items must be approved by customer before manufacturing.

Custom coloured steel: Fora Form can offer NCS / RAL custom coloured steel, price on request. For RAL K7 Classic colours: kr. 8 331 per colour, per order. For all other colours from Sahara Collection: kr. 8 331 per colour, per order. Colour codes must be specified when ordering.

Lead time: on request.

General conditions see page 2.

Stated delivery date is the date items are sent from the manufacturing unit.

Fora Form Surcharges

Our surcharges are listed with prices under each model.
Standard metal parts is black powder coat. Standard wooden parts is natural oak.

Menu Powder Coating I – powder coating of chairs and tables in menu finish. Price per leg.
Menu Powder Coating II – powder coating of frames/steel parts on lounges in menu finish.
Menu Powder Coating III – Bast.
Customised Finishes – one-time surcharge for powder coating per colour without menu, plus regular surcharge for Menu Powder Coating I or II.
Chrome I – applies to chrome frames for furniture with simpler and smaller frames.
Chrome II – applies to chrome frames for furniture with larger and more complex frames.

Additional linoleum finishes, format I– tables with widths up to 120 cm/Ø120.
Additional linoleum finishes, format II – table with width over 120 cm/Ø120, as well as smaller tables such as Bast (due to cutting surcharge).
Laminate woods finishes, format I– tables with widths up to 120 cm/Ø120.
Laminate woods finishes, format II– ctable with width over 120 cm/Ø120.

Menu colour wood I– products with smaller wooden parts.
Menu colour wood II – products with larger wooden parts/solid wood.
Menu colour wood III - Bast.
Surcharge - volumes less than 15 covers
Surcharge - multiple textiles/qualities per item
Surcharge - contrast seam

CUSTOMIZED ON REQUEST

Table tops

Fora Form has a selected set of sizes, geometries and designs as stocked standard.

All areas marked with grey are Fora Form Standard.

Table edges are commented under each model.

Table bases: varieties and heights are stated under each model.

Veneer: Oak, natural ash or black stained ash. Pattern and color variations may occur on veneered table tops. Coated with UV-lacquer for longevity of life.

Laminate: Fora Form recommends HPL laminate from FORMICA Collection, elegant oak (F5374 NAT), natural oak (F1079 NAT), tula oak (F8589 PGN), black (F2253), light grey (F7927), dark grey (F7912), white (W1000) and white (F1040).

Linoleum: We can provide Forbo Desktop Linoleum 4166 charcoal, 4023 nero, 4132 ash, pebble 4175 and mushroom 4176. Other finishes on request at additional cost.

Formica Woods Collection, black (F2253 NAT woods), black (F8552 birchply), green slate (F8911 birchply), dark sky (F9229 birchply) and raw (F8910 birchply) for a surcharge. Chamfered edge lacquered to match edge colour.

Solid oak: black stained oak, natural oak, white washed oak and dark brown oak is supplied on L, R and S table.

Raw: Raw table top is delivered on Kvart tables. Raw table top is made of chipboard coated with UV-lacquer for protection. Table edge in natural oak. Color differences may occur. Tables with RAW tabletops are ideal for meetings but not for canteens and restaurants, as the material is sensitive to damp.

Smile plastics: Smile plastics are available only for the Root table and are limited to specified sizes. They are made from 100% recycled plastic and are recyclable. Color and pattern variations may occur, as each sheet will be unique due to the materials used.

Table edges: Using a non-standard edge, colour must be stated by customer. Surcharge for special color kr 4 605, - per color / order.

Cable hatch and cable well is delivered on Kvart, Myk and Roma. Cable hatch lid same as table top finish.

Fora Form offers NCS/RAL coated metal parts on majority of our collection. This is commented under each model.

Customized table tops: contact the sales department. Please note: all drawings for customized tables must be approved by customer before manufacturing.

Custom coloured steel: Fora Form can offer NCS / RAL custom coloured steel, price on request. kr. 8 331 per colour, per order. For all other colours from Sahara Collection: kr. 8 331 per colour, per order. Colour codes must be specified when ordering.

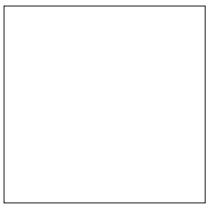

On page 196 there is a selection with power dots and cables. These can be mounted on several of our tables. Please contact us for price, delivery and choice beyond those presented.

Other: We do not sell table bases separately. For renewal of table tops price on request.

Atrium

The chair that is refreshingly uncomplicated—yet complex at the same time. Atrium is a meticulously crafted combination of design and functionality; a chair for grand occasions and small moments alike. Add color to the room for your next event, and stack the chairs when the music stops. Take a deep breath and hang the chair on the table when the meal is over. The possibilities are nearly endless, and Atrium is ready for anything.

BUD

BUD is our definition of friendship; a fun, versatile, and supportive companion that's always there to catch you. With its playful and youthful design, this is the chair for those who want to add something extra to their work environment. BUD stands out from the traditional and ensures that tomorrow's talents can shine right where they are, right where they sit.

WANNA BE MY BUD?

Information

For more than one type of fabric/color quality per unit, the highest fabric group will be used as the basis, along with an additional charge per chair

BUD stack is stackable, 3 pieces (Note: Should not be stacked over time)

Upholstery available upon request. Reupholstering is handled through Fora ReForm

Please note that minor wrinkles may appear in the fabric around the zipper at the chair's back cushion. This occurs due to the chair's shape and does not affect the product's quality or functionality.

BUD requires specific fabrics. Fabrics must be approved by Fora Form

Øivind Iversen

1954

City

The City chair is one of the foremost Norwegian design classics. Its excellent design and comfortable seating experience have made it a bestseller. Today's City chair comes in a wide range of finishes, including veneer, plastic, and upholstered versions. This design classic is popular in auditoriums, dining areas, lounges, meeting rooms, cultural centers, and kitchens alike.

Fjell

The meeting of precise forms and uncompromising comfort is the very definition of Fjell. Inspired by the steep Nordic mountain slopes, the forms define a conference chair with a distinctive expression and strong character. The result is a meticulously designed chair with sharp contours, soft surfaces, and a level of comfort unique to Fjell.

THE CONFERENCE CHAIR THAT IS ALL ABOUT COMFORT

ODD

ODD is a flexible ottoman with surprising power. Designed by two young Norwegian designers, it has a playful and chunky expression inspired by large, crumpled down jackets. Odd challenges traditional meeting places by combining soft, organic shapes with technology: The ottoman can be delivered with integrated power, so you can always charge your PC, mobile or tablet, no matter where you are sitting.

ODD is lightweight and easy to use. It creates new opportunities for interaction in social zones and project rooms and makes it easy to participate spontaneously and informally in the conversation.

The ottoman's environmental profile is as strong as its expression: It is made of renewable cork, Nordic cardboard, moulded cold foam, and sliders in recycled plastic. It is 100% separable with just four screws and thus developed with longevity and circularity in mind.

An energetic piece of furniture for ad-hoc meetings and recharge breaks.

THE OTTOMAN THAT CONNECTS YOU – NO MATTER WHERE YOU ARE

MÖBELFAKTA

Standard

SHELL

Fully upholstered with molded cold foam.

BASE

Plastic glides

Cork

Natural oak bark

Information

ODD+ has a wireless charging function with a black charging panel, USB-C port, and integrated power supply unit.

The battery capacity is 30,000 mAh. Suitable for charging phones, PCs and tablets.

USB port with light indicator, works both as input and output of 65 W.

The charging set consists of a 2-meter black cable with USB-C on both ends and a Euro adapter plug.

Senso

Senso, by the design duo Anderssen & Voll, is a flexible and furniture-friendly modular sofa that encourages informal interactions between people. The Senso sofa system addresses acoustic challenges often encountered in office environments with its various backrest heights. The modular system is highly space-efficient and offers a wide range of modules, allowing for creative solutions.

Back modules & Frame

All our seating modules can be combined with back modules and Senso Frame (see page 138-139)

Information

For more than one fabric/color quality per module, the highest fabric group is used as the basis, along with an additional charge per item

Can be combined with fixed L & S tables. Installation specified as viewed from the front, right, or left side

The fixed L table comes with a double socket and a 2.5-meter black cable

The power outlet for the Senso ottoman comes with a 3-meter black cable

Senso Café has a 10 mm gap between the seat and backrest (overall dimensions remain unchanged)

Senso Café works with all modules except those with a wooden table or Frame

Assembly

Legs are installed separately

Fora Form standard fabrics

Lead time: 6-8 work weeks

Seating modules & back modules

All our Frame models can be combined with seating modules (see pages 130-133)
Note: The upholstered high and low backrest modules cannot be combined with Senso Frame in corners
Note: In a back-to-back configuration, the Frame and upholstered high and low backrest modules cannot be combined

Information

For more than one fabric/color quality per module, the highest fabric group is used as the basis, along with an additional charge per item
Senso Frame can have back cushions on both sides of the frame module

Assembly

Legs are installed separately

Fora Form standard fabrics

Lead time: 6-8 work weeks

LARS TORNØE

2017

Kvart

The base construction of the Kvart series allows for a variety of table types, ranging from smaller quiet rooms to larger cafeterias or meeting rooms with wider tables. The table's column includes cable management for a clean and organized appearance.
