Exempelvis ska ytskikt, som bordsskivor, textil och stoppning kunna tas isär, avlägsnas och ersättas med hjälp av vanligt förekommande manuella verktyg, ej specialverktyg. Enklare reparationer och utbytesarbeten ska kunna utföras av en lekman. Om det krävs fackmanakunskap för mer avancerade arbeten ska det framgå av anvisningarna som leverantören ska kunna ge vid begäran. Anvisningarna ska innehålla en sprängskiss, steg för steg beskrivning inklusive vilka verktyg som krävs samt hur möbelns ingående delar bör källsorteras.

**Flokk is a family of design-led brands shaping workspaces where people and organisations thrive.**

From our roots in Scandinavian task seating design, we've grown into a global leader in workspace solutions – creating furniture that supports people wherever and however they work.

The name Flokk comes from the Norwegian word for "group" or "herd". It reflects our belief that workspaces should bring people together – to focus, collaborate and connect.

We believe great design can do more than look good. It can enhance well-being, enable productivity, and help reduce environmental impact. We work closely with architects, designers, and businesses to shape workspaces where people feel supported, valued, and able to do their best.

Our collection of brands brings this purpose to life – delivering thoughtful, durable solutions for every kind of workspace and every kind of person.

Our growing family includes renowned names such as HÅG, Offecct, Giroflex, RH, Profim, Stylex, 9to5 Seating, Via Seating, Connection, and Malmstolen – each with its own identity, yet united by a shared commitment to design quality.

Headquartered in Oslo, Norway, we have production sites across Europe, North America, and Asia, including Røros (Norway), Nässjö (Sweden), Turek (Poland), Mirfield (UK), Zhongshan (China), Hawthorne (USA), Delanco (USA) and Reno (USA). Our global reach is supported by sales offices in over 15 countries, serving customers in more than 80 markets.

With around 2,000 dedicated employees, we work together to bring better spaces to life and to fulfil our vision; to **inspire great work.**
